5. (1) Each nursery dealer, before selling or offering for sale or otherwise distributing nursery stock within this state, shall annually obtain a nursery dealer's registration-inspection certificate for each individual location from which the dealer sells or offers for sale nursery stock. Each nursery dealer shall make application on forms to be provided by the state entomologist for each individual location, which shall include:

- (A) The name and complete address of the nursery dealer's place of business for which such certificate is requested;
- (B) A declaration that applicant will obtain and distribute only inspected and certified nursery stock; and
- (C) An up-to-date listing of all sources from which he secures nursery stock.

(2) Each nursery dealer shall pay, at the time of making application, the annual registration-inspection fee as set forth in the rules made pursuant to sections 263.010 to 263.180.

(3) All nursery dealer registration-inspection certificates shall expire on September thirtieth of each year.
